**October/November 2024**

**Revd. Canon Miriam writes:**

Dear Friends

Autumn is upon us! I know this because when I wake up in the morning it is dark and I know that in just 3-4 weeks it will be too dark for me to go out for my early morning walk across the fields with my dog Bodie. I will really miss these walks because in the quietness of the morning, when there is no-one else around and Bodie is off exploring different scents to chase, I always have such a powerful sense of God walking alongside me as I ponder on the day ahead offering all that is to be in prayer to God. Having said this, I do rather like autumn. The vibrant colours of the leaves as they change, the sense of nature starting its hibernation period and the changes in our liturgical seasons in Church bring a real sense of stability and comfort.

I am mindful that some people may approach the seasons of autumn and winter with a sense of dread. The long dark nights and cold days can be difficult, especially for those who live on their own. Added to this, the decision by the Government to remove the annual heating allowance from people over 66 who do not receive pension credit may be a real cause for concern regarding how people can keep their homes adequately heated and themselves warm. Can I remind you that, as a Church, we do have some funds available that are not part of the funding used for general Church purposes, to assist you in paying heating or any other bills. If at any time you find yourself struggling financially, please speak to me.

This magazine has two months worth of information covering October and November so please keep it somewhere safe as you will find dates for the different services and activities going right into December.

Autumn is always a busy time in Church and you may want to make a note of some special services and activities coming up during October and November...

**The Blessing of Animals Service** will be on Sunday 20<sup>th</sup> October at 11.30am.

**On the 27<sup>th</sup> October, The Archdeacon of St Albans, the Venerable Charles Hudson will be celebrating and preaching at our 9.45am service.** It would be wonderful if you could come and join us.

**The annual Service of Remembrance for Loved Ones Departed** will take place on **Saturday 2<sup>nd</sup> November at 10.30am.** Look out for the sheets to add your loved one's name to which will be available at the back of Church at the beginning of October

As always, we will be hosting the annual **Civic Service on Remembrance Sunday, 10<sup>th</sup> November, at 2.30pm.**

**Advent begins on 1<sup>st</sup> December** and there will be a candlelit **Advent Reflection service at 6pm.**

**Quiet Church** will be on 9<sup>th</sup> October, 20<sup>th</sup> November and 5<sup>th</sup> December starting at 7.30pm.

**Social events include...**

**The Beer Festival** on 11-13<sup>th</sup> October

**Christmas Market** on 16<sup>th</sup> October ( gifts for the tombola stall very welcome, please drop off at the Office).

**Concert by the Watford Community Orchestra** 21<sup>st</sup> November.

In the busyness of autumn, I hope that you will be able to find time for rest and reflection. You might like to come along to the Quiet Church evenings and enjoy the peacefulness and quiet being in a candle lit Church.

*With my love and prayers*

## **Sunday Coffee Charity Christian Blind Mission**

For over 115 years, CBM has been transforming lives around the world. They work with local partners, making sure people with disabilities in some of the world's poorest communities have access to healthcare, education and a future where they can thrive.

CBM was founded in 1908 by German pastor, Ernst Christoffel. When Ernst travelled through Turkey, one particular group of people grabbed his heart: children who couldn't see, who couldn't walk, who couldn't hear

With the support of friends, Pastor Christoffel set up a home in Malatia, Turkey, providing care and education for people who are blind and children with disabilities.

Today CBM helps people everywhere with many areas of their lives by:

### **Saving Sight**

Preventing blindness and restoring sight to people who are living needlessly blind.

### **Healthcare**

Improving access to healthcare for people with disabilities and preventing and treating conditions that can lead to disability.

### **Mental Health**

Enabling people with mental health conditions to access the treatment and support they need.

### **Education**

Challenging barriers that keep children with disabilities out of school and making sure they can access an education and a brighter future.

### **Economic Empowerment**

Supporting people with disabilities, and their families, with the skills, training and equipment to secure a future where they can thrive.

### **Disasters and Emergencies**

Ensuring people with disabilities are not excluded in times of crisis and climate induced disasters and supporting communities to rebuild for the future.

## **Inclusion and Rights**

Making sure people with disabilities have equal rights and are included, respected and are given the chance to reach their full potential.

Today, rooted in Christian values, CBM believes every person with disability – no matter where they live in the world – should have access to healthcare, education and the opportunity to earn a living.

## **Croxfest 2024**

Music, dancing, food, friendship, funfair, it was all happening on The Green last month. It was just an amazing collection of a vast number of people and families having a great time on a Saturday afternoon, sharing picnics and listening to an eclectic variety of groups and bands.

Churches Together had organised a gazebo to provide a quiet space

well, quietish space, for anybody who wanted a bit of time out and a chat. We were set back behind the main stage so didn't get a lot of passing people but we met some lovely characters who came to share a bit of time with us, a drink of water and have a sit down as you can see from the photo.

I also thoroughly enjoyed meeting all the volunteers from the Churches in Croxley and getting to know them a bit better.

# **Notes from the PCC Meeting 4th September 2024**

## **Maintenance and Improvements to the Church Organ**

Recent work by the organ builder, Tarquin Wiggins, to fix some issues with the organ has produced marked improvements in its performance. The Music Maintenance and Development Committee, on 5th August, considered a number of options and recommended the PCC to explore a limited programme of repairs and improvements designed to ensure the organ remained a reliable instrument for at least several years. Following on from that, the PCC received a prioritised list of desirable repairs and improvements produced by Simon Dunn, one of our current organists. The PCC has agreed to fund additional work, to be undertaken by Mr Wiggins, to carry out some of the highest-priority repairs and improvements during the autumn. The Music Maintenance and Development Committee will also receive regular reports on the organ's condition and performance.

## **Finance Report**

At the end of August, the Church account showed a deficit of £5,626 while Hall account income exceeded expenditure by £2,008, producing a net deficit of £3,618. This is in line with the budget forecast for 2024. Offertory income is down slightly and Hall repairs and maintenance spending is up, but donations and Hall lettings income are both ahead of their budgeted figures. Much will depend on the income from the Beer Festival in October and the Christmas Market with the Prize Draw in November.

## **Safeguarding : Safety and Security of Access to the Hall for User Groups**

Following concerns expressed by a children's activities group using the Hall, Anne Oke (Safeguarding Officer) and Wendy Shafe (Hall Committee Chair) produced letters of guidance to organisers of children's and adult groups who regularly use the Hall to ensure that access to the Hall facilities (toilets and the kitchen) are not available while children and vulnerable adults are using the Hall, while the facilities remain accessible when services and other activities are taking place in the Church. Information on times of restricted access will be notified to all Hall key holders, while regular Hall users will be kept informed of services and activities taking place in the Church.

## **Health and Safety Policy 2024**

The PCC adopted an updated Health and Safety Policy for 2024 which sets out who is responsible for the overall management and also for detailed aspects of the Plan, including activities and records. As part of the overall plan, an evacuation exercise of the Church will be held following a service on a date to be arranged. You have been put on notice!

## **Visits by Archdeacon Charles on 24th and 27th October**

Archdeacon Revd. Charles Hudson, Archdeacon of St Albans, will be visiting All Saints' on 24th and Sunday 27th October. He will meet PCC members informally on 24th October and will conduct and preach at the 9.45am Communion Service on 27th October.

## **The Church Recording Society**

This Society has offered to visit All Saints' and produce a comprehensive record of our Church buildings, at no cost to the parish, which will be presented with a book of reference when the survey has been completed. They have already surveyed more than 2,000 other churches. John Galloway will act as our contact with the Society.

## **Kitchen Dishwasher**

The Hall Committee considered the usefulness of the dishwasher following a recent service. The machine takes a long time to heat and is therefore not economical to use for smaller events such as the Friday Café. In addition, the trays are cumbersome and heavy to load and unload when washed and the washing process does not remove stains from the cups. The Committee considered that the dishwasher should be used only for larger social events such as the Harvest barbecue, Christmas market etc,

## **Pastoral and Evangelism Group**

The Group was informed that planned Nurturing Newborns + course scheduled to start in October has been postponed until the New Year; the summer holiday Pop-up Cafés for under-5s have been very popular and the Christmas Afternoon Tea will take place on Friday 20th December, with no Morning Café on that date.

## **Social and Fundraising Committee**

The Committee has been planning the Parish Barbecue on 15th September, the Beer Festival on 11th-13th October and the Christmas Market on 16th November. Sign-up lists for volunteers to help at the

Beer Festival and the Christmas Market are available at the back of the Church. Do sign up if you can, as helpers are badly needed.

### Parish Magazine

As previously reported, the October issue will cover November as well.

### Rounders in the Park

On Sunday 25th August, about 20 of us met at Barton Way park for a picnic and rounders match. The weather was perfect and everyone enjoyed chatting whilst eating.

Then to the serious business of choosing teams and the match. Not surprisingly, the rounders was very competitive, especially with family members on opposite teams trying to outrun or catch out their sibling, parent or cousin! It didn't matter the ages, family rivalry was there.

After 3 innings each, the final score was a draw with each team scoring 10 rounders.

It was a lovely way to spend a Sunday afternoon. Thanks to Sam Beard for organising it and we look forward to the next one!

## Churches Together Tea in aid of the Parish Nurses in Croxley

On an afternoon of sunshine and heavy downpours, on Wednesday 10th September, The Methodist Church hosted an afternoon tea which was organised by Churches Together.

The table groaned under a wonderful selection of cakes and cookies and tea and coffee flowed, as did the conversation.

Well done to everyone who helped with organising and serving.

A fantastic £283.50 was raised to support the important work of the Parish Nurses in Croxley Green.

### All in the month of October...

90 years ago, on 24<sup>th</sup> Oct 1934 that the earliest known recording of the song *Santa Claus is Comin' to Town* was released. Performed by banjo player Harry Reser and his band and sung by Tom Stacks, it has since been recorded by more than 200 other artists.

65 years ago, on 11<sup>th</sup> Oct 1959 that Britain began introducing postcodes. They began in Norwich, and by 1974 had been rolled out across the whole country.

## A Thank You to Sunday Coffee Donations...

Good afternoon Revd. Canon Miriam Mughan,

Hope you are well.

I want to personally thank you and your congregation for the generous donation of £509.12.

We have over 17,000 people living with dementia in Hertfordshire and this figure does not include those waiting for a diagnosis. Dementia is one of the biggest health crises of our time. The condition rips through families, robbing people of their identities and independence.

The incredible kindness of you and your congregation ensures that Alzheimer's Society can continue providing much-needed dementia support and campaigning for changes to improve care at policy level, so that people affected by dementia are always treated with respect, dignity and love. Providing a better future for people living with dementia, their carers and their families.

Best wishes,

Soraya

## ...and Friday Café

The donations at Friday Café on 30th August have been donated to the RNLI to support their vital work around our coast.

The morning was shared having a good chat and there was plenty of coffee, tea and cakes to keep everyone happy. The sum of £102.45 was raised.

We will be sending the donations from one of the September Friday Cafes to support MacMillan Nurses.

## **Autumn Leaves**

**When Autumn leaves begin to fall  
We know that winter's near  
But what a lovely sight they make  
Against the sky so clear  
Red and yellow, brown and green  
The richest colours ever seen  
But slowly, slowly now they fall  
As winter time comes round  
They lay a woodland carpet  
So thickly on the ground  
But soon new buds will start to show  
As springtime comes at last  
New leaves will crown the summer-time trees  
You will see no finer sight than these  
But then October has her way  
Here comes another Autumn Day.**

**How many church members does it take to change a light bulb?**

What do you mean CHANGE??? That light bulb was given in memory of my grandmother! My father installed it with his bare hands! He donated his time AND the use of his ladder to do it, too! My family's been members of this church for four generations! And if you think you're going to come in here and make a bunch of changes all of a sudden, Vicar, you've got another think coming!

### **Growing up**

Your child has started growing up when he stops asking you where he came from and starts refusing to tell you where he's going.

### **Fish**

Give a man a fish and he will eat for a day. Teach him how to fish, and he will sit in a boat and drink beer all day.

## Social & Fundraising Committee Diary

### Christmas Market : Saturday 16<sup>th</sup> November

This year's Christmas Market is almost upon us and, as usual, we are looking for your support to help make it a great success.

Firstly we are looking for donations towards the Tombolas, and would be really grateful for any of the following items :-

For the **Chocolate Tombola** : any chocolate items from small packets to larger items as long as they're made of chocolate!

For the main **Tombola** : we would like bottles of any description either alcoholic or soft drinks, small unwanted gifts or other quality and unused items which would make good prizes.

For the **Children's Tombola** : we would be grateful for packets of felt pens or crayons, bottles of bubbles, small craft sets, hairbands or hair slides, small jigsaws, any unwanted and unused children's presents and good quality soft toys.

If you are able to donate anything towards any of these stalls please pass them to me or to Judith in the Parish Office.

Finally, we would really appreciate donations of large cakes which can be sliced and sold with the refreshments in the Church as well as loaf-tin sized cakes to sell on the cake stall. We are happy to receive any cakes which can be frozen in advance of the Market.

We will be needing lots of help on the day itself and also with setting up beforehand and clearing up after the Market. There will be a sign-up sheet for helping on the Church stalls, helping with refreshments in the kitchen, clearing the Church on Thursday 14<sup>th</sup> November from 7.00pm, some setting up from 2pm on Friday 15<sup>th</sup> November and from 7.30am on the day itself and assistance clearing up afterwards.

If you can help in any way, even for just an hour, please add your name to the sign up sheet or speak to either me or Kathryn Duffy.

### Grand Prize Draw Tickets

Grand Prize Draw tickets will be available to buy or sell from 11<sup>th</sup> October. The Grand Prize Draw constitutes a large percentage of our overall profit for the Christmas Market so please support it by not only buying tickets for yourself but by taking some to sell to family, friends, work colleagues or anyone else you can think of!

## Upcoming events

As always in the lead up to Christmas, we have a number of events planned so please put the following dates in your diaries.

## Harvest Service and Barbecue

15th September

During the service celebrating Harvest, Paul used the letters of H A R V E S T, and willing volunteers, to spell out some poignant words to remind us how lucky we are and to celebrate the gifts around us. Emily read the gospel and we all joined in to sing some traditional Harvest hymns.

HAVE, EAT, EARTH, STARVE, HEART, were some of the words Paul used. See how many words you can make out of the letters and send them in to the magazine!

After the service and coffee, everyone moved outside to the garden where the sun was shining and the barbecue was well on its way to being ready to eat.

Thank you to everyone involved in moving furniture and preparing and serving the food. It was a great event and £180.20 has been donated to the Bishop's Appeal.
